STUDENT ASSISTANCE ★ SCHOLARSHIPS ★ LEARNING GRANTS

APRIL 2010

GREETINGS FROM THE PRESIDENT

By: John Mansfield, 2009 President

The Foundation found 2009 to be a challenging year. The district added two new schools; requests were up for all schools; and the economy wasn't that promising (to put it mildly). Although donations were down, we continued to fund our programs and grants without any reductions. We even increased funding in some areas and will be able to maintain current levels for 2010.

The Board said goodbye to retiring superintendent **Dr. Jim Koval** and thanked him for his support of the Foundation over his years as superintendent. We also said hello and welcome to **Raj Manhas**, the new superintendent, and we are extremely pleased at his support of the Foundation.

Finally, again this year I'd like to thank all the Board members and members of the

community who donate money and/or time to the Foundation. You are what makes it work. With unemployment up and a tight economy, we are needed more than ever.

NORTH THURSTON EDUCATION FOUNDATION – ANNUAL REPORT January - December, 2009

MEMBERSHIP

Membership for the calendar year 2009, based on identified contributors, totaled more than 465. Organizations are counted as a single member. All donations of \$25 or more qualify contributors for membership and to vote to elect Trustees at the annual membership meeting, according to the by-laws. Donations received through the NTPS district payroll, Washington State Employees Combined Fund Drive, and United Way, as well as through other incidental fundraisers, are listed by name when identified. Categories of contributor members, eligible to vote, are Member \$25–99, Supporting Member \$100–249, Sustaining Member \$250–499, Principal’s Club \$500–999, Superintendent’s Club \$1,000–4,999. Foundation Benefactor \$5,000 and above. A student category is \$5.

Revenue Generated, Awards Disbursed

The Foundation Trustees measure achievement by both the numbers of contributors and revenue generated by the Foundation as well as by the program disbursements that benefit students, staff, and activities in North Thurston Public Schools. The 2009 contributions and fund raising for all funds, including annual, endowment, special designated funds, but excluding investment and interest earnings, totaled **\$76,840**. This total includes the following:

\$ 22,781	Fund raising events
\$ 1,739	Washington State Employees Combined Fund Drive
\$ 573	United Way contributions
\$ 11,151	North Thurston Public Schools employees payroll deductions
\$ 5,929	Endowment Campaign
\$ 34,667	Other Contributions and Fund-raising (excludes investment earnings)

Scholarship awards, student assistance grants to all District schools, McGimpsey Pantries, learning improvement grants for classroom educators, and special designated activities totaled **\$60,199** for the calendar year. Administrative expenditures for insurance, printing, postage, fees, supplies and fund raising costs for 2009 were \$13,307, excluding investment fees. In addition, the Foundation received a number of in-kind donations to total more

than \$800 that helped reduce administrative costs. The Foundation has no paid officers or staff and did not use professional fundraisers..

GRANTS COMMITTEE

Carol Merritt, Chair

The Grants Committee oversees Foundation grant projects including the Student Assistance Grants and Learning Improvement Grants. Committee members include **Robyn McLean, Phyllis Kaczmarek, Debby Gaffney, Carol Merritt**.

Student Assistance Grants

Twenty-one District sites, including one for each school plus one for the District-at-large, receive annual student assistance grants to provide for emergency needs of students. The amounts of the grants for the 2008-2009 school year were as follows: \$750 for each elementary school, \$1200 for each middle school and South Sound High School and \$1500 for the large high schools and District Office site. The school assistance grant funds, including food closets, disbursed during the 2009 calendar year totaled **\$30,378**. Students received help with school fees, clothing, rental for music equipment, school supplies and other personal and educational needs. A portion of the allocated funds are given at the beginning of each school year and the rest is given later in the year. Special funds are also available in exceptional circumstances to help reduce obstacles that students face in getting their education. School principals, counselors, secretaries or intervention specialists may be contacted about use of the funds. Funds are managed according to school policies.

McGimpsey Pantries

Implemented in 2007-2008, as an extension of the Student Assistance Grants, the Foundation established the McGimpsey Pantries in middle and high schools. The Pantries provided food and toiletries for homeless students and others who need this help. Each secondary school receives \$500 in the fall and additional funds as needed. Elementary schools are served through another backpack food program. Information for accessing these items is available in each school. To stock the Pantries in 2009, schools received about **\$4,500**, which was included in the Student Assistance Grants total above.

Learning Improvement Grants

Educators in North Thurston Public Schools are awarded mini-grants for use in schools and classrooms to assist in the improvement of student learning. The Learning Improvement Grants, given for thirteen years, meet one of the Foundation’s goals and are designed to encourage innovation and improvement of learning. Grant recipients are required to report to the Foundation Trustees and membership at the Annual meeting and to submit a written report of their action research. The reports reflect project activities, benefits to students in evidence of their learning, and “lessons learned” as educators. A committee reviews the applications and selects the winners. The Foundation increased both the number and the amount of the Learning Improvement Grants last year. For 2009-2010, eight projects were selected to receive up to \$1500 each:

Learning Improvement Grants

1. **Elizabeth Zickuhr, Timberline High School**
2. **Jenny Goin, Chinook Middle School**
3. **Jodi Kimizuka, Lacey Elementary**
4. **Bruce Walton, Pleasant Glade Elementary**
5. **Phyllis Dobey, Chambers Prairie Elementary**
6. **Jenny LaFrenier, Timberline High School**
7. **Kevin Hall, North Thurston High School**
8. **Susan Staiert, Sarah Sisco, Jill Hatlen, Lydia Hawk Elementary First Grade Team**

The Foundation Board will change the grant timeframe for 2010. Grant applications will be due June 1, 2010, and awarded before the end of the school year. Therefore, grant recipients will have summer to prepare and can implement the grant throughout a single school year.

SCHOLARSHIP COMMITTEE

Robyn McLean, Chair

FUND DEVELOPMENT COMMITTEE

Liz Squires, Chair

The seventh annual Partners for Kids Luncheon, held on October 13, 2009, was keynoted by Dr. Jim Koval, recently retired superintendent of North Thurston Public Schools. Entertainment was provided by the wind ensemble at the new Aspire Middle School, directed by Jerry Huff. The luncheon grossed about \$24,000, which includes sponsorships and also some designated gifts. We thank all of the donors for their generous support. Mark your calendars now for next year's event scheduled for October 12, 2010. Committee members were **Liz Squires, Carol Merritt, Robyn McLean, and Jerry Farmer**.

New Fundraising Partnerships

The Foundation participated in two fundraising campaigns in the last months of 2009 in partnership with the North Thurston Public Schools and with the School Employees Credit

Union. The NTPS appealed to school district employees to support the Foundation as a fully local not-for-profit organization that exists solely for the students and schools in the District. More than \$2,000 was received to date in that effort, in addition to earlier donations and on-going payroll contributions from employees. SECU offered matching funds for school district employees who joined the credit union and contributed to the Foundation or were currently members of the credit union and donated to the Foundation in the amount of \$5 or more. The SECU donated \$255 as a result. The Board expects to repeat these efforts next year.

SCHOOL VISITATION COMMITTEE

Cindy Coble, Chair

The School Visitation Committee continued a schedule of school visits this year, involving Board member teams. School visits were made to all 21 school sites in the district during fall 2009-2010. The focus of the presentations was to highlight the amounts of the Student Assistance Grants and how to access the funds. We also encouraged district staff to join NTEF as contributing members – we all want to support our students. Thank you to the Board members who volunteered to do presentations: **Sam Hunt, Carol Merritt, John Mansfield, Cindy Coble, Phyllis Kaczmariski, Liz Squires, Ian Edlund, Sue Shannon, Angela Grant, Tom MacRobert, Debby Gaffney**, as well as **Jon Halvorson**, former board member.

EXECUTIVE COMMITTEE

John Mansfield, President/Chair

The Executive Committee of the Foundation Board serves as the administrative committee. The committee met monthly to plan meetings of the Board of Trustees and to handle business that occurred throughout the year. The Executive Committee made recommendations on these business matters to the full Board. The Executive Committee prepared three newsletters for the Foundation in 2009 including the 2008 annual report. Kathy Tingvall provided design services; REV mailing of Kent, Washington, donated mailing services (NTEF paid only the postage). The 2009 Executive Committee included the elected officers and a member-at-large: John Mansfield, president; Liz Squires, vice president resource development; Judy Johnson, vice president resource management; Carol Merritt, vice president awards and disbursements, **Robyn McLean**, member-at-large; **Sue Shannon**, executive director.

INVESTMENT COMMITTEE

Lee Blankenship, Chair

The Investment Committee met quarterly in 2009 to review the status of the investment accounts. Greg Stapp, Stapp Financial Planning, LLC, served as investment advisor. Mr. Stapp is a Registered Investment Advisor (RIA), Series 65. The Investment Committee made recommendations to the Board of Trustees regarding investments, disposition of Certificates of Deposit, and other related activities within the parameters of the investment policies of the Foundation. Although the Foundation's investment funds were adversely affected by the economic down turn felt throughout the country in the winter 2008-2009, the Foundation accounts made some recovery during the remaining months. Year-end balances were favorable. (The year-end report appears on the following page.) Also, because some donors have designated contributions to be used as needed, rather than invested in permanent endowment accounts, the Foundation was able to meet its program goals. The Committee was charged with the task of interviewing a selected number of local financial institutions to determine if the Foundation should make any changes after Venture Bank was sold to First Citizens Bank. The recommendations will be made to the Board early in 2010. Committee members include: **Lee Blankenship, Rex Comstock, Ron Busche, Jerry Pospisil, Lisa Furman, and Judy Johnson and Sue Shannon**, ex officio members.

FOUNDATION AUDIT COMMITTEE

Tom MacRobert, Chair

The new audit committee prepared guidelines for an internal audit that included a series of questions (with accompanying answers) that focus on the cash flow of the Foundation and compliance with the written policies, procedures, and by laws for awarding and distributing funds. The committee compiled materials for an internal audit for calendar year 2006. The committee chair contacted John Honsowetz, an Independent Auditor, who agreed to perform the audit without charge. A written report was given to all Board members. The auditor found no weaknesses or issues and volunteered to perform the audit for 2007. Committee members include: **Tom MacRobert, Phyllis Kaczmariski, and Sue Shannon**.
