

The Forgotten Back-to-School Needs

Hygiene, Athletic Shoes, Socks & Underwear

We often think of backpacks and pencils for back to school, but the need for hygiene items, athletic shoes that fit, and everyday essentials like socks and underwear are just as important. This drive helps ensure students have what they need to feel clean, confident, and ready to learn. By providing these often-overlooked essentials, we help students start the school year with dignity and the comfort they deserve.

July 1 – August 29

We are currently seeking donations of new athletic shoes, full-size hygiene items, cleaning supplies, kids' socks and underwear.

- Shampoo
- Conditioner
- Body lotion
- Sanitary pads (thin and regular)
- Deodorant (Men's and Women's)
- Laundry Pods
- Tissues and toilet paper
- Liquid dish soap
- Socks and underwear
- Athletic Shoes
